

**Care & Support in  
Waterside Court Extra Care  
Scheme**

# Background: development and steering group oversight

Developed in partnership with & funded by:

- East Midlands Housing Group (EMH) and Homes & Communities Agency (HCA)

- Leicestershire County Council (LCC)

- Linked to wider health & social care offer

Steering Group to support scheme success

- Partners: LCC, EMH, Charnwood BC, West Leics. CCG, Public Health (LACs), the Bridge

# Eligibility Criteria

- Age criteria: 55 years or older (or below 50 in exceptional circumstances)
- Must be “ordinary residents” of Leicestershire
- Applicants must need a minimum of 3.5 hours care per week

# Eligibility Criteria (Care)

- Care needs assessments (for eligibility) - carried out by LCC
- Applicants without a current assessment of need are forwarded to LCC by EMH or Charnwood BC
- LCC will prioritise Service Users currently inappropriately placed in or considering moving into residential care in Loughborough/Leicestershire and those at risk in the community

# Community Balance (Care)

<b>High Needs</b>	Individuals with high-level care and support needs (i.e. people with needs resulting from a physical or mental impairment or illness who would be at severe risk and who are dependent on others for over 14 hours of care and support per week to achieve a number of specified outcomes)
<b>Medium Needs</b>	Individuals with medium-level care and support needs (i.e. people with needs resulting from a physical or mental impairment or illness who are at risk of being unable to achieve a number of outcomes without between 7 and 14 hours care and support per week)
<b>Low Needs</b>	Individuals with low level care and support needs (i.e. people with needs resulting from a physical or mental impairment or illness who are at risk and who are dependent on others for between 3.5 and 7 hours of care and support per week to achieve a number of specified outcomes)
