# The LGA

- The national voice of local government
  - Work with councils to support, promote and improve local government
  - A politically-led, cross party organisation which works on behalf of councils to ensure local government has a strong, credible voice with national government
  - We aim to influence and set the political agenda on the issues that matter to councils so they are able to deliver local solutions to national problems
-

# The CHIA Housing Role

- Promoting joint work across Adult Social Care, Health, and Housing – using ‘Better Care & Health Through the Home’ – a national MoU
  - Link to DHSC & MHCLG
  - Link to national Housing organisations eg National Housing Federation, Chartered Institute of Housing, Care & Repair England, Housing LIN
  - Supporting Regional Approaches with ADASS Branches
  - Working with individual LAs/DASS (and senior team) on housing opportunities
  - Supporting Strategic LA Approaches and Corporate engagement
  - Advice on strategy development & engagement
  - Sharing Examples and Good Practice
-

# Improving Health and Care Through the Home - National MoU

- NHS England initiated discussions with the Housing and Care sector
- Published in 2014 and refreshed March 2018
- ADASS hosted the process supported by DH and PHE
- Public Health England taking a lead role

# Anticipatory Care - Opportunities

- Engagement with ICS and Primary Care Networks – place based planning
  - Housing and related services can substantially support the delivery of our health priorities (and always has done!)
  - Social Care Reform – key role for housing
  - Housing should be part of Systemwide Planning
  - Building on the lessons during the Pandemic
  - Including Housing in local Joint Commissioning
  - Include housing in local integrated teams
-

# Challenges

- Embedding housing related solutions in Government Policy
  - Engaging Senior Leaders in Health
  - Building Trust and Relationships at all levels
  - Who speaks for the housing sector strategically?
  - Can we co-ordinate the housing ‘voice’ at a local level?
  - Ensuring housing issues are included in health & social care planning frameworks and assurance metrics – what gets measured gets done!
