

Putting People at the Heart of New Housing Development

Julie Ogley

Director of Social Care, Health and Housing
Central Bedfordshire Council

East ADASS

- Adult Social Care White Paper places housing and technology firmly on the agenda – but are we ready?
- Varied levels of understanding/responsibilities: unitaries/counties/districts and only 3 out of 12 DASSs also with housing responsibilities
- Do we know what good looks like?
- Can we learn from one another – how to tackle this?
- What next?
- How to respond to the challenge ? Gill, Claire and Mark will share the approach we developed in ADASS East.
