

Housing, Health and Wellbeing

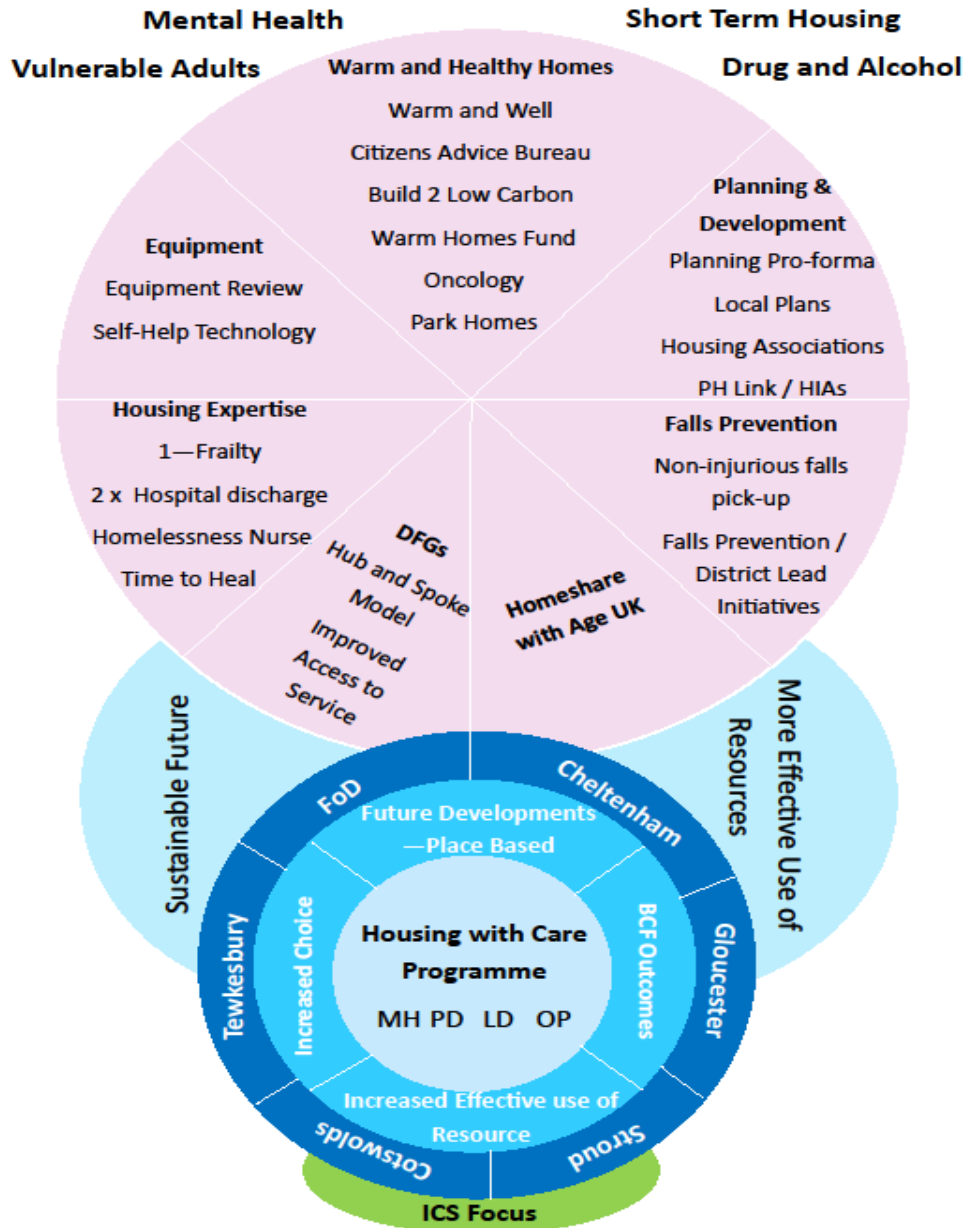

Mary Morgan, Joint Chair of Gloucestershire Strategic Housing Partnership

Gloucestershire Strategic Housing Partnership

Partnership set up to lead, drive and influence One Gloucestershire in developing housing related strategies through cross sector collaboration

- **Better Care Fund** – the beginning and the evolution
- **Impact of Covid-19**
- **Partnership Team** reducing homelessness and community based support, international resettlement, domestic abuse
- **Housing, Health and Care** working to improve health and wellbeing through good design, adaptability, accessibility, affordability, system support, social value and reducing fuel poverty

Housing, Health and Care

- **Housing with Care Strategy** and District Profiles 2020
- **Housing, Health and Care in Partnership Group** information and data sharing forum, opportunity focused and tactical
- **Influencing planning** e.g. Cheltenham Care Home application
- **Housing Stock Condition Survey**
- **Registered Providers** establishing connections and maximising resources e.g. discharge flats, furniture poverty, safe places
- **Social Value** e.g. Gloucester City Council and Gloucestershire Health and Care NHS Foundation Trust tender process
- **Housing Frailty Officer** increasing options and reducing dependence
- **Housing Specialist Occupational Therapist** – accessibility of new design, working with Districts and RPs
- **Homeshare** - AgeUK

Adaptations

- **Disabled Facilities Grants** DFG forum flexibilities; specialist OT; DFG county dashboard; minor adaptations; trusted assessor roles; *adapted property register; DFG Directory of agents/surveyors*
- **Large scale social capital investments** giving access to adapted facilities e.g. Changing Places, Blackheath Athletics Track, Belmont School, MusicWorks
- **Gloucestershire Fire & Rescue Service Telecare Responder Service** Raizer chairs and the Ageing Well Programme
- **BAME communities and access to DFGs**

Fuel Poverty

In addition to the Warm and Well Service

- **Health contribution** to energy advocacy and fund for capital items
- **Joined up Dragons' Dens approach to bids** (eg Green Homes Fund)
- **Citizens Advice Bureau**
- **CAB Oncology Service**
- **Warmth on Prescription**
- **Park Homes Insulation Programme**
