

Housing & Integrated Care: Moving from Vertical to Horizontal Care.

Housing LIN

Connecting people, ideas and resources

accessible
prs

Wheelchair Accessible Housing:

- Increase the SUPPLY.
- Level the Processes.
- Rewrite the Narrative.

Solutions - start with the takeaways:

- Create space.
- Come out of our silos.
- Understand the broader contexts.
- Own the difference between personal & organisational responsibilities.

Case study: Accessible Letting Scheme.

Department for Levelling Up,
Housing & Communities

Thank you.
