Partners in Care and Health (PCH)

- PCH is a **partnership of LGA and ADASS** working with other well-respected organisations
- **Partners in Care and Health (PCH)** supports councils in improving the way they deliver **adult social care and public health** services; and helps Government understand the **challenges faced by the sector. It is based on principles of Sector Led Improvement (SLI)**
- The programme is a **trusted network**, developing and sharing best practice, tools and techniques, providing support, and building connections
- It is funded by Government and offered to councils without charge
