

Habinteg

Accessible homes. Independent lives.

No more scrubbing the front doorstep

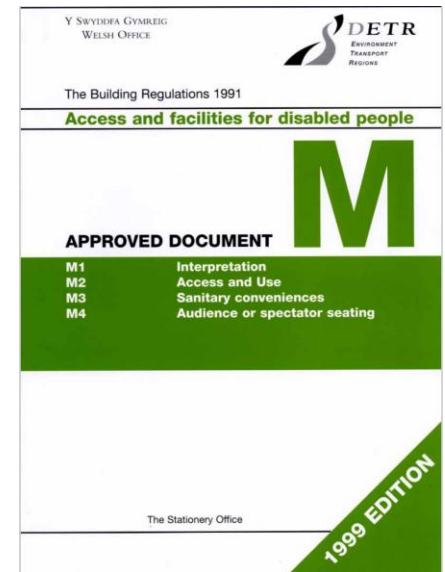

Christina McGill

Director of Social Impact & External Affairs

How it started...

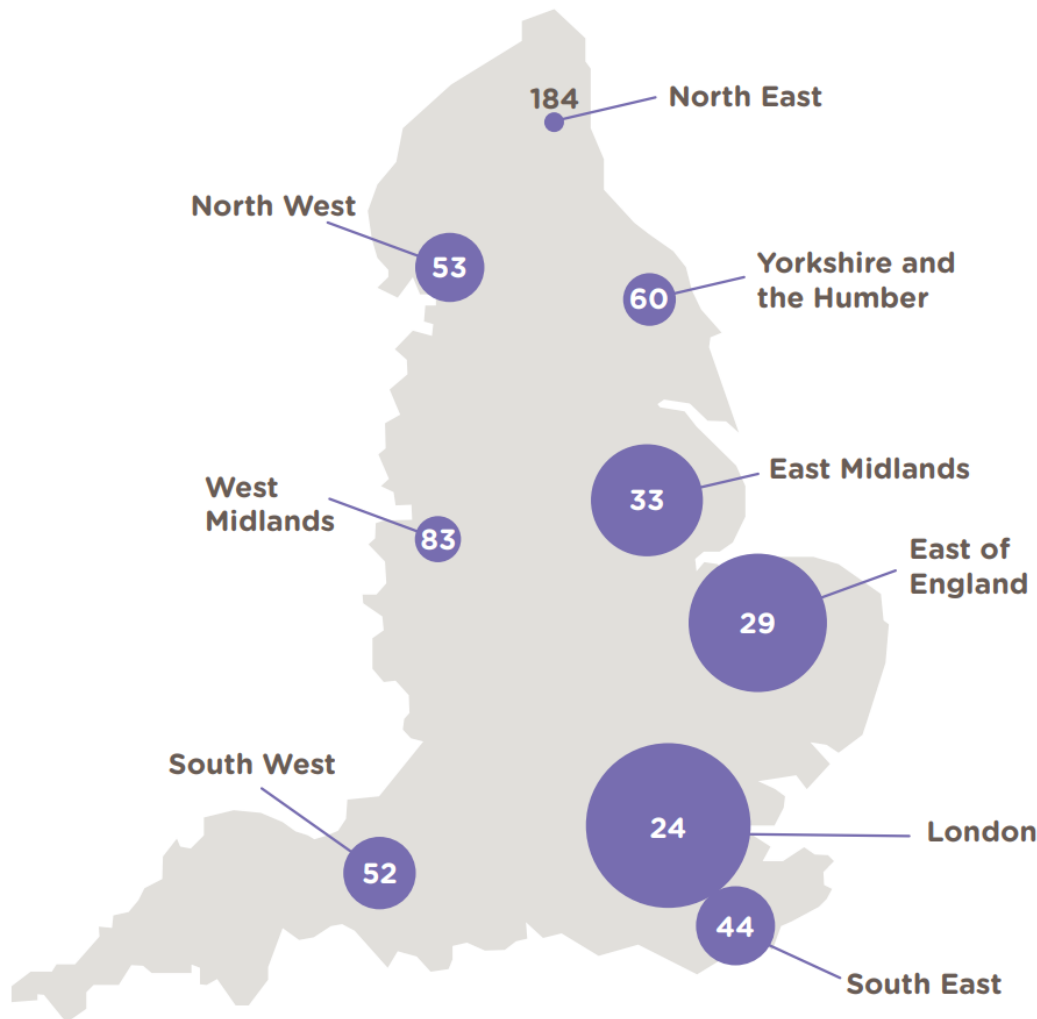

‘Demise of the great British doorstep – Times, some day in 1999

How it's going...

Regional disparity M4(2)

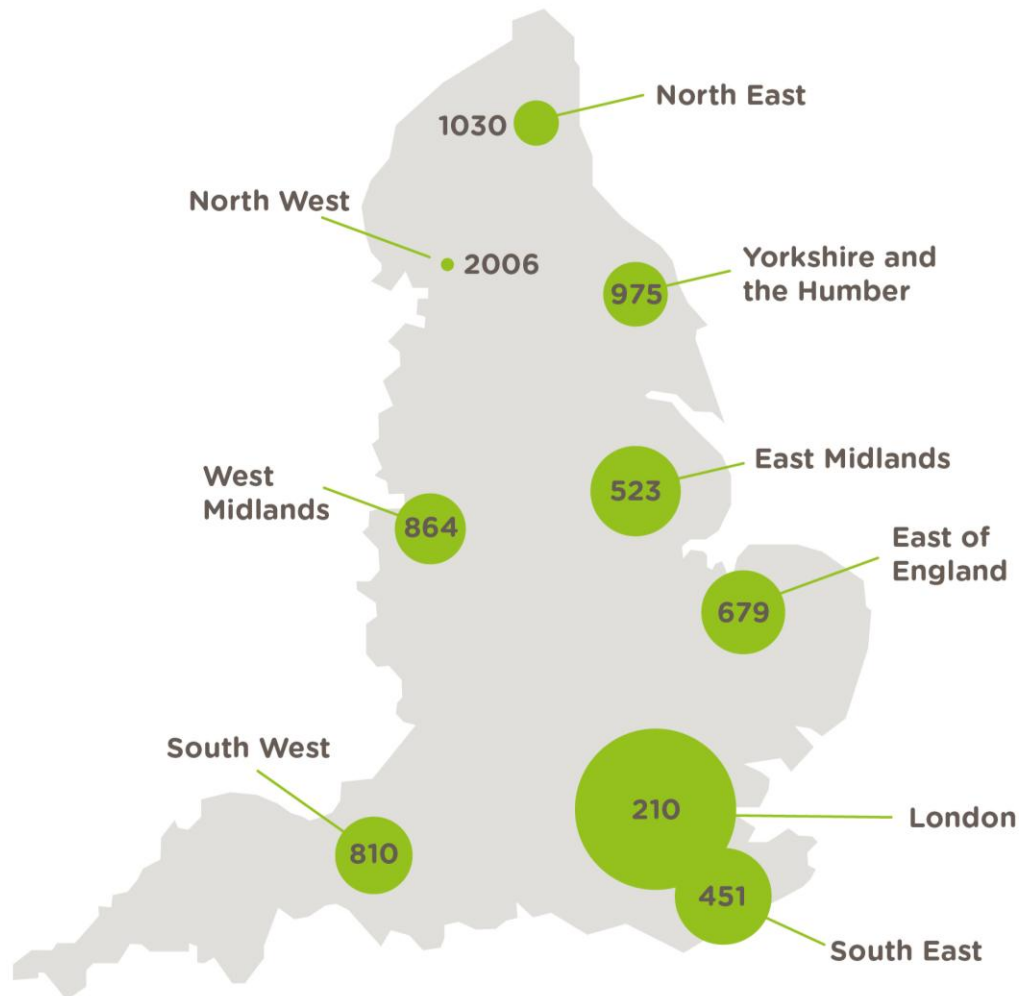

Accessible and adaptable properties

10y best case forecast

Per head of population

- 1:184 North East
- 1:24 London

Regional disparity M4(3)

Wheelchair

standard properties

Best case forecast

per head of

population

- 1:2006 North West
- 1:210 London

Where we need to get to

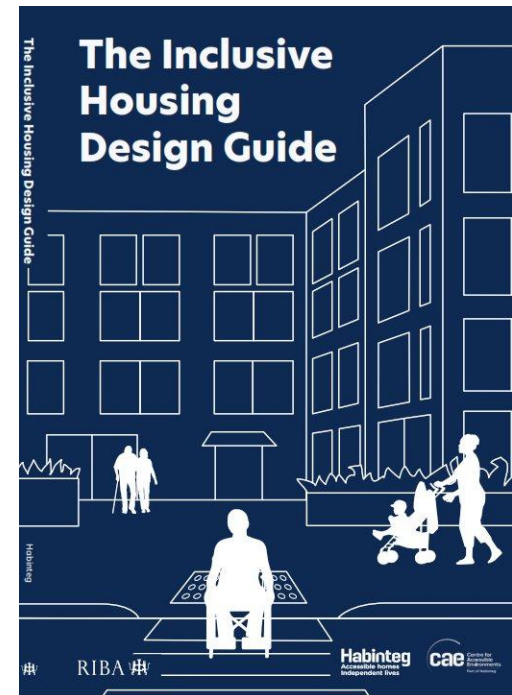

How can we get there?

A new national baseline – M4(2)
accessible and adaptable standard for all
new homes

Every Local Plan to include M4(3)
wheelchair standard target

Training, training, training
- What, Why and How

Thanks for listening!
