1Bed Apartment - Type B
1BA-B
[1b2p]
Unit GIA: 62.7 m²

SCALE

notes

- The contractor is responsible for checking dimensions, tolerances and references. Any discrepancy to be verified with the Architect before proceeding with the works.
- Where an item is covered by drawings to different scales the larger scale drawing is to be worked to.
- Do not scale drawing. Figured dimensions to be worked to in all cases.

CDM Regulations 2007

ALL current drawings and specifications for the project must be read in conjunction with the Designer's Hazard and Environmental Assessment Record.

DESIGN INTENT DRAWING ONLY

This drawing requires design development by the Contractor to achieve construction status including Building Regulations compliance, full detail resolution and co-ordination with all other Designers and Sub-Contractors. It is not a full description of the elements and components which will be required to satisfy those requirements and so the tenderer will need to allow for this development in their pricing.
